

Budget page for new or renewal funding

	Foundation funding			Funding from other sources
	# of interns	Per intern	Total	
Intern salary/stipend*				
Benefits (if applicable)				
Intern allowances***				
Staff salary and benefits**				
Capital expenses necessary for the internship (computer, software, etc)				
Recruiting expenses***				
Overhead (no more than 10% of total grant)				
Total				

Notes:

* If there are multiple internships (e.g., summer, academic year, etc.) and levels (high school students, college students, others, etc.) then break down the intern salary/stipends by each type. Salary/stipend should be the equivalent of at least \$15/hour.

** Provide the % FTE applied to the internship program and any other funding that is available to cover.

*** Please describe (books, software, meetings, travel, tools, etc.) and justify
